“We will name him
Naji, survivor,
for now.”

The Palestinian baby extracted
from his dead mother's
whomp after the later was
killed in Israeli barbaric
bombing of Gaza (Palestine).

Naji (Survivor),
son of Fatima al-Hirsch;
wounded child with no surviving
family.

**Palestine
will be Palestine again
with Al-Quds (القدس)
as capital
where Arabs and Jews
will live together in peace again
as they have done for centuries.**

*Palestina tornarà a ser Palestina amb Al-Quds (القدس) com a capital
on àrabs i jueus tornaran a conviure en pau com han fet durant segles.*
